CANADA LIFE INVESTMENTS ANNOUNCES NAME CHANGE FOR LF CANLIFE GLOBAL BOND FUND

London, UK: Canada Life Investments will be changing the name of its LF Canlife Global Bond Fund to the LF Canlife Global Macro Bond Fund effective the 4th of February 2019. The change is being made to better reflect the Fund's macro investment process and strategy, as well as to provide a clearer message to our customers about how it is managed.

Co-managed by David Arnaud and Kshitij 'KJ' Sinha, the Fund continues to offer a broad diversification of high quality debt, investment grade corporate bonds and currencies. Further information about the Fund and its managers can be found at www.canadalifeinvestments.com

Notes to Editors:

About Canada Life Investments

- **Heritage, size & stability** – founded in 1847, our parent business is part of the Great-West Life Group, which manages £750 billion in assets, across the globe. In our 100-strong London office, Canada Life Investments manages more than £37 billion in fixed income, property and equities, as well as a comprehensive multi-asset range. We believe we are able to offer the size and financial strength of a large global institution, as well as the customer focus and service levels of a boutique organisation
- **A long-term business** – the very nature of our business is long-term. We have been building long-term relationships with our customers in the UK since 1903, demonstrated by our annuity customers and our fund propositions, which are targeted at long-term solutions. Many of our fund managers have been with the company for well over a decade and some for more than 35 years. Our long-standing investment team is committed to our values and philosophy
- **A customer focus** – Canada Life Investments is built on the needs of the customer. We want our clients to invest with us for the long-term, trusting us as custodians of their money. Our products are designed to deliver what our clients expect.
- **Wide-ranging expertise** – our team of investment professionals has an extensive track record across a wide range of assets, including bonds, equities, private placements and unlisted transactions. Our award-winning property team also manages both direct property investments and commercial mortgages
- **We offer solutions** – we understand the challenges our clients face, from regulatory issues to investment selection. Be it fixed income, property or equities we believe we are well-placed to help

our clients navigate the market through a varied suite of products. These include domestic and international bonds and equities, UK commercial property and a comprehensive multi-asset range, which includes a set of risk-target managed funds that focus explicitly on client suitability

As at 31/12/18

The value of investments may fall as well as rise and investors may not get back the amount invested.

A full description of the risks of investing in the fund is set out in the latest Prospectus and Key Investor Information Documents (KIID) available at www.canadalifeinvestments.com.
